Arrangements for school closure due to snowy or icy conditions

Updated 06.3.23

Please find some information below to clarify the arrangements should we need to close the school at short notice due to snow/ice:

Full closure or late start

An email will be sent to all parents to advise them that the school will be closed or that a later start is needed. We shall aim to do this by 8am. Please be aware that it is difficult to let parents know any earlier than this as often staff are still trying to make their way to school in difficult conditions.

Breakfast Club.

Please contact school via phone before setting off to breakfast club. If there is no answer, please assume there are no staff on site and breakfast club is unavailable on this day.

Continued closure

The weather will be monitored on a daily basis and the above process repeated each morning if necessary. **We will not contact you if the school is open.**
