Dear Parents and Carers,

As you may have seen in the news recently, key worker provision has been in high demand in the second lockdown. This is the case at Kirkby Malzeard School where currently over 50% of our children are attending. In light of the rapidly rising Covid 19 cases, we are therefore making changes to our current key worker provision.

In **Palm and Cedar Class**, we will be offering provision to key worker children **for the days in which their parents are in work only** with effect **from Monday 18th January 2021**. We ask that parents keep their children at home on the days when they are not in work. The children must still attend for the full day on the days when they attend school, and breakfast and after school club will be still be available if needed.

Oak and Acorn Class key worker children will continue to be offered full time provision.

Please email the school office by 11am each Friday to inform them which days you require for the week ahead.

We would also like to remind parents that the guidance states that key worker families should only use the provision **if no one is available to look after their children at home.**

Should you have any further questions, please contact Mrs Taylor via the admin email address.

Please support us in keeping our school community safe.
